

Indira Institute of Technology & Sciences

(Approved by AICTE, New Delhi, Affiliated to JNTU, Kakinada)

(Sponsored by V.H.R. Educational Society, Markapur)

Darimadugu (v), Markapur (Mandal), Prakasam District-523 316 AP

VISION:

At IITS, our vision is to foster an environment that nurtures academic excellence and character development among our students. We aim to impart education that not only shapes careers but also cultivates ethical values, leadership qualities, and problem-solving skills necessary for success in a global landscape.

MISSION:

- To impart affordable and quality education meeting the needs of industries
- To achieve excellence in the teaching-learning process
- To create a facilitating environment that drives innovation and nurtures out of the box ideas
- To create mutually beneficial relationships with other academic institutes as well as industries in order to strengthen education
- To become a centre of excellence in technical education
- To create processes for sustenance of high standards of professional ethics, transparency and accountability.

CIVIL DEPARTMENT

Vision

To lead in civil engineering education, producing competent and socially responsible engineers, contributing to sustainable infrastructure development and environmental conservation.

Mission

To provide a transformative learning experience, integrating theoretical knowledge with practical exposure in civil engineering, emphasizing innovation, research, and community engagement for addressing infrastructure challenges ethically and sustainably.

Darimadugu (v), Markapur (Mandal), Prakasam District-523 316 AP

EEE

Vision

To excel as a department known for producing proficient electrical and electronics engineers, contributing to technological advancements and societal welfare through sustainable practices.

Mission

To impart quality education, instilling a passion for innovation, research, and ethical leadership in our students, while fostering a learning environment that encourages hands-on experience, interdisciplinary learning, and industry-relevant skills.

Mechanical engineering

Vision

To be a premier mechanical engineering department recognized for excellence in education, research, and innovation, shaping future leaders capable of addressing global challenges.

Mission

To impart holistic education, emphasizing theoretical knowledge and practical skills in mechanical engineering, nurturing creativity, research aptitude, and ethical values to prepare students for diverse professional roles and societal contributions.

ECE

Vision

To be a pioneering department shaping future innovators in electronics and computer engineering, fostering interdisciplinary learning, and addressing global challenges through technology.

Mission

To provide a comprehensive educational experience, nurturing creativity, critical thinking, and problem-solving skills in students, while promoting ethical practices, research, and industry collaboration in the fields of electrical and computer engineering.

CSE

Vision

To be a center of excellence in computer science and engineering, fostering innovation, entrepreneurship, and global leadership in a rapidly evolving technological landscape.

Mission

To offer a dynamic learning environment, equipping students with technical expertise, problem-solving skills, and a strong foundation in computer science, while encouraging research, innovation, and ethical practices in diverse computing domains.
