capabilities of the faculty of Indira Institute Of Technology And Sciences, Markapur providing significant inputs to them in developing suitable teaching/training and research systems, keeping in mind the needs of the industry.

- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

- 2.1 Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge. The following areas are covered under this MoU for engagement and cooperation for the benefit of the student community:

- a. Curriculum Design
- b. Industrial Training and Visits
- c. Internships and Placement of Students
- d. Research and Development
- e. Skill Development Programs
- f. Guest Lectures
- g. Developing Academic Projects and
- h. Faculty Development Programs

- 2.2 **Curriculum Design:** NETIX INFORMATICS will give valuable inputs to Indira Institute Of Technology And Sciences, Markapur in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the Indra Institute Of Technology And Sciences, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately and upon mutual consent.

CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.
- 3.2 Each Party agrees and acknowledges that all the copyrights, trademarks, proprietary and/or licensed software, service marks and trade secrets of each Party while conducting the business contemplated under this MoU shall always belong to such respective Party.
- 3.3 Protect the confidential information and IPRs in a reasonable and appropriate manner as prescribed under law and in accordance with the applicable professional standards.
- 3.4 Use confidential information and IPRs only to perform obligation under this arrangement; and reproduce confidential information and IPRs only as required to perform its obligations under this arrangement.
- 3.5 This clause shall survive and continue even after the termination of the MoU.

CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid for Three academic years from 2024-25 to 2029-30 until it is expressly terminated by either Party on mutually agreed terms, during which period NETIX INFORMATICS, the Second Party, as the case may be, will take effective steps for implementation of this MoU. Any act on the part of Training Partner or NETIX INFORMATICS, the Second Party after termination of

this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU.

- 4.2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 4.3 At the end of the period of MoU, the Parties may extend the MoU by mutual consent for a period not more than two academic years and not less than one academic year.

CLAUSE 5: RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that Indira Institute Of Technology And Sciences, Markapuram and NETIX INFORMATICS are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of Indira Institute Of Technology And Sciences. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Prakasam**.

7. Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First party and second party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of first party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the second party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'definitive documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of definitive documents shall be mutually decided between the parties. Along with the definitive documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** second party will give valuable inputs to the first party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Darimadugu, Markapur-523 316
Prakasam Dist.(A.P.) India.

- 2.3 **Industrial Training & Visits:** industry and institution interaction will give an insight in to the latest developments / requirements of the industries; the second party to permit the faculty and students of the first party to visit its group companies and also involve in industrial training programs for the first party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The second party will provide its labs / workshops / industrial sites for the hands-on training of the learners enrolled with the first party.
- 2.4 **Research and Development:** both parties have agreed to carry out the joint research activities in the fields of corporate training activities and services.
- 2.5 **Skill Development Programs:** second party to train the students of first party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** second party to extend the necessary support to deliver guest lectures to the students of the first party on the technology trends and in/out house requirements.
- 2.7 Both parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the programmes on the terms specified herein
- 2.8 There is no financial commitment on the part of the **INDIRA INSTITUTE OF TECHNOLOGY AND SCIENCES** the first party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other party.

CLAUSE 4 VALIDITY

- 4.1 This agreement will be valid until it is expressly terminated by either party on mutually agreed terms, during which period name of industry, the second party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of training partner or name of industry, the second party after termination of this agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 Both parties may terminate this MOU upon 45 calendar days' notice in writing. In the

event of termination, both parties have to discharge their obligations.

**CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that first party and second party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither party is authorized to use the other party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other party, without the prior written consent of the other party. Neither party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other party, to pledge the other party's credit, or to extend credit on behalf of the other party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the arbitration act, 1996. The place of the arbitration shall be at district head quarters of the first party. This undertaking is to be construed in accordance with indian law with exclusive jurisdiction in the courts of name of city.

intellectual capabilities of the faculty of Indira Institute Of Technology And Sciences, Markapur providing significant inputs to them in developing suitable teaching/training and research systems, keeping in mind the needs of the industry.

- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MoU

- 2.1 Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge. The following areas are covered under this MoU for engagement and cooperation for the benefit of the student community:

- a. Curriculum Design
- b. Industrial Training and Visits
- c. Internships and Placement of Students
- d. Research and Development
- e. Skill Development Programs
- f. Guest Lectures
- g. Developing Academic Projects and
- h. Faculty Development Programs

- 2.2 **Curriculum Design:** Vincense Software Solutions PVT.LTD.will give valuable inputs to Indira Institute Of Technology And Sciences, Markapur in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments/requirements of the industries; Vincense

DUGGIRALA INSTITUTES PVT., LTD.

(Sponsored by Duggirala Consultants)

RegNo:AP-06-16-007-0407541

MEMORANDUM OF UNDERSTANDING

Between

DUGGIRALA Institutes Pvt Ltd

AND

INDIRA Institute of Technology and Sciences, Markapur

INDIRA Institute of Technology and Sciences, Markapur affiliated to JNT University, Kakinada, AP and Approved by AICTE, New Delhi, is a technical educational institution that has been vested the responsibilities of providing quality technical education in the field of engineering and technology.

AND

DUGGIRALA Institutes Pvt Ltd ,VIJAYAWADA, AP.

A) DUGGIRALA Institutes Pvt Ltd and INDIRA Institute of Technology and Sciences are each esteemed institutions, and they have a shared history of collaboration and cooperation in education, research, and public service. The two institutions have long collaborated in research consortia and programs and, over the past decades, have forged extensive personal and professional linkages. This history and its evolution lead to the recognition of a shared future together that sets the stage for this Memorandum of Understanding.

B) DUGGIRALA Institutes Pvt Ltd is committed to strengthen its recognized role as a major research and training organized through increased interaction with major national research institutes and laboratories. INDIRA Institute of Technology and Sciences seeks to foster scientific creativity and productivity, leading to improved competitiveness and productivity through increased contact between its staff and the faculty, graduate students and Undergraduate students of institute.

INDIRA Institute of Technology and Sciences is recognized, through experience, that cooperation and collaboration are a critical mechanism for increasing the impact of its students, research staff, capabilities, and facilities.

C) It is the intent of the direction of DUGGIRALA Institutes Pvt Ltd and the PRINCIPAL of INDIRA Institute of Technology and Sciences to foster and expand research, education and cooperation between the two institutions through this Memorandum of understanding. This document provides the general structure and principles to facilitate a relationship between the two institutions and is not intended to interfere with or alter relationships between students and staff of each institution.

DUGGIRALA INSTITUTES Pvt., Ltd.

(Sponsored by Duggirala Consultants)

II. Objectives of and Environment for Interaction

- A. Increasing the cooperative and collaborative links between DUGGIRALA Institutes Pvt Ltd and INDIRA Institute of Technology and Sciences will enhance the scientific, technical, and engineering competence and breadth of the two institutions, while making better use of their respective facilities and enabling their faculty and staff to work together to develop stronger programs of mutual interest and benefit. This enhanced capability will permit both DUGGIRALA Institutes Pvt Ltd and INDIRA Institute of Technology and Sciences to accomplish goals together that they could not achieve separately.
- B. It is anticipated that a collaboration between DUGGIRALA Institutes Pvt Ltd and INDIRA Institute of Technology and Sciences will bring new and additional resources to both partners through new programs, collaborations, efficiencies, and resource use optimization; enrich the regional economic environment with in dynamic new companies born from the partnership, perhaps leading to the creation of a regional center, designer to enhance the creation of partnerships between private, and academic sectors.

III. Mechanisms to Foster Collaboration and Cooperation

- A. DUGGIRALA Institutes Pvt Ltd and INDIRA Institute of Technology and Sciences agree to explore and assist in developing mechanisms that will serve to encourage and enhance cooperative work between the institutions in areas of Electronics and Communication Engineering. Both institutions agree to take steps to develop a more dynamic program to exchange students and encourage joint research projects staffed by individuals from both institutions.

IV. Term and Termination of this Memorandum of Understanding

1. And Where as both INDIRA Institute of Technology and Sciences and DUGGIRALA Institutes Pvt Ltd recognize that they share common goals and are desirous to establish, a cooperative arrangement towards-strengthening technical education (through curricula, faculty, infrastructure, pedagogy improvements) in line with the IT industry's requirements of relevant skill-sets in various disciplines at graduate and post-graduate levels in different time-frames.
2. And Where as both organizations are desirous to associate in all other related areas as may be agreed upon for furtherance of knowledge based enterprises, apt technical and management skill for future development of student's skills, exchanging of information concerning Communication, Signal & Image processing and Instrumentation fields, and work towards effective Industry-Academia partnerships for Human resource Development and R & D.

**Shri Chhatrapati Sambhaji Rajawade Polytechnic,
Dhangawadi, Pune**

UltraTech Cement, Pune

MEMORANDUM OF UNDERSTANDING

UltraTech Cement Ltd. is the largest manufacturer of grey cement, Ready Mix Concrete (RMC) and white cement in India. It is also one of the leading cement producers globally. UltraTech as a brand embodies 'strength', 'reliability' and 'innovation'. Together, these attributes inspire engineers to stretch the limits of their imagination to create homes, buildings and structures that define the new India.

RDTC, Shri Chhatrapati Sambhaji Rajawade Polytechnic, Pune provides a distinctive excellence driven engineering education that will groom the future generation of engineers and entrepreneurs. It has been established in 2009 and presently offers undergraduate programs in disciplines like Civil Engineering, Mechanical Engineering, Computer Engineering, Electronics and Telecommunication Engineering. The institute is affiliated to Savitribai Phule Pune University, Pune. The institution has progressed in leaps and bounds and is undergoing a continuous process of improvements in all aspects of curricular and extracurricular activities.

This Memorandum of Understanding is made between corporate industry and educational institute with purpose of development in technological education and training opportunities for students and faculty members with mutual understanding and cooperation between UltraTech

MEMORANDUM OF UNDERSTANDING (MOU)

Between

VA COMPUTER INSTITUTES

And

**Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic Civil
Department**

This Memorandum of Understanding (MOU) is made and entered into on 23th December 2019, at Pune, BY AND BETWEEN, VA COMPUTER INSTITUTES ,a company having its registered office at Shramik Hall ,near ST stand ,Bhor , Pune, Maharashtra 412206,(here in after referred to as VA COMPUTER INSTITUTES. which expression shall, unless repugnant to the context or meaning there of, mean and include its successors and assigns); Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic Civil Department (referred to as SCSP), which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors and permitted assigns.

VA COMPUTER INSTITUTES and the, SCSP, Pune are here in after referred collectively as "Parties" and individually as "Party".

About: VA COMPUTER INSTITUTES

VA COMPUTER INSTITUTES, registered under the Government of India Ministry of Corporate Affairs stands out to be one of the fastest growing platforms in Training and Development in India. It has a stack of 03 employee's expert in both development and delivering trainings on technologies like Autocad, Catia, Revit architectural, stadd pro, Java, Android, Software Defined Network, Computer Network etc. VA COMPUTER INSTITUTES is a leader in Software Taining and empowers IT individuals with competitive advantage.

**SHRI CHHATRAPATI SAMBAJIRAJE POLYTECHNIC ,DHANGAWDI
,TAL- BHOR DIST- PUNE,412206.** , and represented herein by its Divisional Head, CIVIL DEPARTMENT , (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include Its successors – In-office, administrators and assigns).

Scope of Work - VA COMPUTER INSTITUTES

1. Faculty/Student Development program.
2. Sponsor UG projects.
3. Internship/Industrial Training of Students & Staff.
4. Technical Guidance for Lab Developments & Setups.
5. Provide a platform for academicians for research and consultancy work at their premises.
6. Sharing Industry oriented-courseware and Technology to create an industrial awareness among students / teaching faculties

Scope of Work – Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic Civil Department

Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic agrees to provide VA COMPUTER INSTITUTES facilities such as classrooms & other required infrastructure, including but not limited to, projector, screen, Internet, Audio/visual facility, flip charts and markers to give training to the students. Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic, Pune shall provide sufficient advance notice to VA COMPUTER INSTITUTES regarding any examination dates, vacation or other holidays when classes will not happen. SCSP or any other person is not allowed to carry out any sort of video recordings of the training conducted by the VA COMPUTER INSTITUTES at Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic, Pune the premises.

1. Either Party shall ensure that nothing is done or omitted to be done by them which may affect the reputation of other Party or its intellectual property.
2. The Parties hereto agree that they are independent contractors. Nothing contained herein shall construe either Party as an agent, legal representative, partner, subsidiary or employee of the other.
3. Each party shall be at liberty to terminate this MOU with a written notice period of 60 (sixty) days / (2) months to the other party without any compensation and seeking legal redress.
4. In case of termination of this MOU, VA COMPUTER INSTITUTES agrees to fulfil their commitments towards the enrolled students and to complete the remaining training for the particular semester.

5. All claims, disputes, differences or disagreements of whatsoever nature arising out of, in connection with or in relation to this MOU whether during its term or after expiry thereof or prior termination, shall be finally decided by arbitration to be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996 in force as at the date of the invocation of the arbitration. Parties mutually agree to refer their disputes to the sole arbitration of a mutually agreed person, whose decision and award shall be final and binding between the Parties. The venue of arbitration shall be Pune, Maharashtra.
6. Courts in Pune shall have exclusive jurisdiction to settle all disputes and differences arising out of this MOU, whether during its term or after expiry / earlier termination thereof.
7. Both the Parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
8. Any notice/letter/correspondence either through registered post/courier/fax shall be delivered /served at the business address of the Parties.
9. Each Party shall bear its own legal, and other costs, charges and expenses connected with the negotiation, preparation and execution of this MOU or any other agreement incidental to or referred to in this MOU.
10. This MOU may not be amended or modified except by an instrument in writing signed only by the authorised signatories on behalf of both the Parties. In witness whereof, both Parties put their hard seal on the day, month and year herein mentioned.
11. Profiles of the concerned faculty in terms of their qualifications and experience shall be provided by VA COMPUTER INSTITUTES and shall be agreed upon by SCSP prior to start of training for a particular semester.
12. VA COMPUTER INSTITUTES should not depute faculty other than the ones approved by SCSP. Professional ethics, code of conduct and disciplinary approach shall be maintained by VA COMPUTER INSTITUTES faculty towards students at all the times. Any misbehaviour by VA COMPUTER INSTITUTES faculty shall attract immediate replacement of the concerned trainer.
13. Faculty from VA COMPUTER INSTITUTES may be evaluated by senior faculty from SCSP in terms of delivery and contents of the sessions. Appropriate written

feedback will be provided to VA COMPUTER INSTITUTES in case of improvement required. VA COMPUTER INSTITUTES will take necessary steps to ensure that corrective actions are taken.

14. VA COMPUTER INSTITUTES faculty will also be evaluated by students by way of "online" feedback mechanism and minimum expected feedback is 7 (on a scale of 10).
15. Both the Parties may address the issue of providing joint participation / completion certificates to the enrolled students after successful completion of the program.

Obligation of Work – Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic Civil Department.

1. SCSP may receive information proprietary to 'L & D Infotech' and vice versa (the "Confidential Information") in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by SCSP / VA COMPUTER INSTITUTES from third Parties without accompanying secrecy obligations; (c) is already in SCSP / VA COMPUTER INSTITUTES possession and was lawfully received from sources other than VA COMPUTER INSTITUTES and Institute or (d) is independently developed by Institute/Wisdom Sprouts.
2. The two Parties understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MOU and that it will only be used by the SCSP / VA COMPUTER INSTITUTES for the benefit of others.
3. All information or correspondence including information shared with or exchanged by VA COMPUTER INSTITUTES and the SCSP or any of its employees, agents, officers, directors and contractors in connection with this MOU including all training

materials, training content & methodologies, classroom & trainer notes, assessment tests etc. will be the sole and absolute property of VA COMPUTER INSTITUTES including intellectual property and proprietary rights.

4. Either Party shall not use logos, trademarks, trade name or intellectual property of other Party for any other purpose as enshrined under this MOU without prior written approval from other Party. SCSP agrees and confirms that during the term of this engagement and for a minimum period of twenty four (24) months after termination or expiration for any reason of this agreement, shall not engage, directly or indirectly, or assist any other party in hiring any person employed or hired as an employee by L & D Infotech, who is directly or indirectly associated with the project.

5. Roles & Responsibility as a Publicity Partner to Project Competition/ Hackthon

1. Ready to give wide publicity thorough our website, Facebook, instagram, twitter etc. by sending post, SMS, emails to students of engineering colleges across Maharashtra State.
2. Publicity thorough Principals, HODs, TPOs of Engineering, Polytechnic, BCA, MCA colleges.
3. Ready to Provide 4 judge/ reviver for Project Competition/Hackathon which includes Directors, Trainers, Sr. Developers.
4. Giving Presentations to different colleges to get enrolled for the said program

6. Business Deals

1. Judges/ reviver TA, DA & remuneration charge as per your rules & regulations will be paid by college.
2. Will charge 400/- per group towards registration to the Project Competition Hackthon.
3. Will target minimum 15 groups

7. Official formalities

1. Will sign an agreement or need official letter from your end that we are official partner for execution of Project Competition/ Hackathon.
2. Put our logo on your leaflet/website/ broacher & send us for media publicity
3. Needs authority letter from Project Competition/ Hackathon coordinator to become publicity partner.

Validity of MoU

For good value, this MoU Validity is made by and between **VA COMPUTER INSTITUTES**, and **Rajgad Dnyanpeeth's Shri Chhatrapati Sambhajiraje Polytechnic Civil Department**

Whereas a MoU between the parties dated 02th Aug 2019, and the parties want to continue said MoU; it is agreed that said MoU is valid till Date 02th Aug 2021. This validity shall be on all other terms and conditions as stated in the original MoU.

This validity of MoU shall be binding upon and inure to the benefit of the parties, their successors, and personal representatives.

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE Internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

Office: Naviya Technologies, 117, Gundecha Industrial, complex, Akurli Road, Kandivali (East), Mumbai 400101, Cell: 9493379950

- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **RSSC Private Limited-Production Planning, Software Code & Implementation and Basic Work Analysis**
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting Industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.10 There is no financial commitment on the part of the **(j)INDIRA INSTITUTE OF TECHNOLOGY AND SCIENCES**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **NAVIYA TECHNOLOGIES** Office: **Navlya Technologies, 117, Gundecha Industrial, complex, Akurli Road, Kandivali (East), Mumbai 400101, Cell: 9493379950**

RENEWABLES PVT LTD, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **NAVIYA TECHNOLOGIES RENEWABLES PVT LTD**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **INDIRA INSTITUTE OF TECHNOLOGY AND SCIENCES** and **NAVIYA TECHNOLOGIES RENEWABLES PVT LTD** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

FirstParty

SecondParty

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Hyderabad**.

Employability Skills Intermediate

Introduction

Employability skills are a set of skills, knowledge, and attributes that make an individual more employable. These skills are important because employers look for people who have good communication, computer knowledge, and a positive attitude towards work. This course is designed to make learners employable and give them the right step towards a successful career.

The Employability Skills curriculum has been designed after thorough research on inputs from industry experts and faculty. It primarily focuses on essential competencies such as Communication, Digital Literacy, Behaviour, Problem Solving, Customer Centricity, Teamwork, etc.

The curriculum uses simulations for learner's practice and also has a strong assessment programme to measure learner's progress. With these comprehensive skills and knowledge, the learner can definitely ace the employers' expectations.

Employability skills are core skills needed in nearly every job. These are the skills that employers look for while recruiting. The Employability Skills Intermediate course will help learners acquire these skills, thus helping them in their journey towards a successful career.

Communication Basic

All employers look for potential employees with excellent communication skills. Apart from verbal, written, and non-verbal communication, excellent communication skills also require a person to be a good listener.

After completing the lessons in this competency, the learners will be able to:

Workplace Awareness

Employability Skills Intermediate

Success in Job Interviews

These seven lessons on 'Success in Job Interviews' aim at preparing learners for interviews, on following a well-prepared approach to crack job interviews.

From prepping the documents to carry for the interview, knowing what to expect at the venue, preparing well-framed answers to common interview questions, to grooming well for the day of the interview, learners can watch and learn from Sam's journey through the whole cycle of preparing and appearing for interviews to accepting a job-offer.

PRINCIPAL
INSTITUTE OF TECHNOLOGY & SCIENCE
Markapur-523
Makasam Dist.(A.P.) India.

How to Prepare for Job Interview - Gaining Confidence

- Be clear and confident about what to expect on the day of the interview

How to Prepare for Job Interview - Getting Ready

- Be prepared for the interview as per the readiness checklist.

How to Conduct Yourself at the Venue

- Be confident and act gracefully at the venue to create a good impression on everyone.

Success in Job Interviews

Employability Skills Intermediate

How to Answer Questions During the Interview

- Be confident and ready with answers to the different questions that the interviewer may ask.

How to Effectively Conclude the Interview

- Be aware of how to conclude the interview, while staying calm and composed.

How to Follow-up after the Interview

- Be clear about what to expect next, how to follow-up, and accept the outcome with grace and a positive outlook.

Ace your Job Interview

- Be prepared and feel confident before the first interview.

Employability Skills Intermediate: Course Information

What will be the benefits of taking this course?

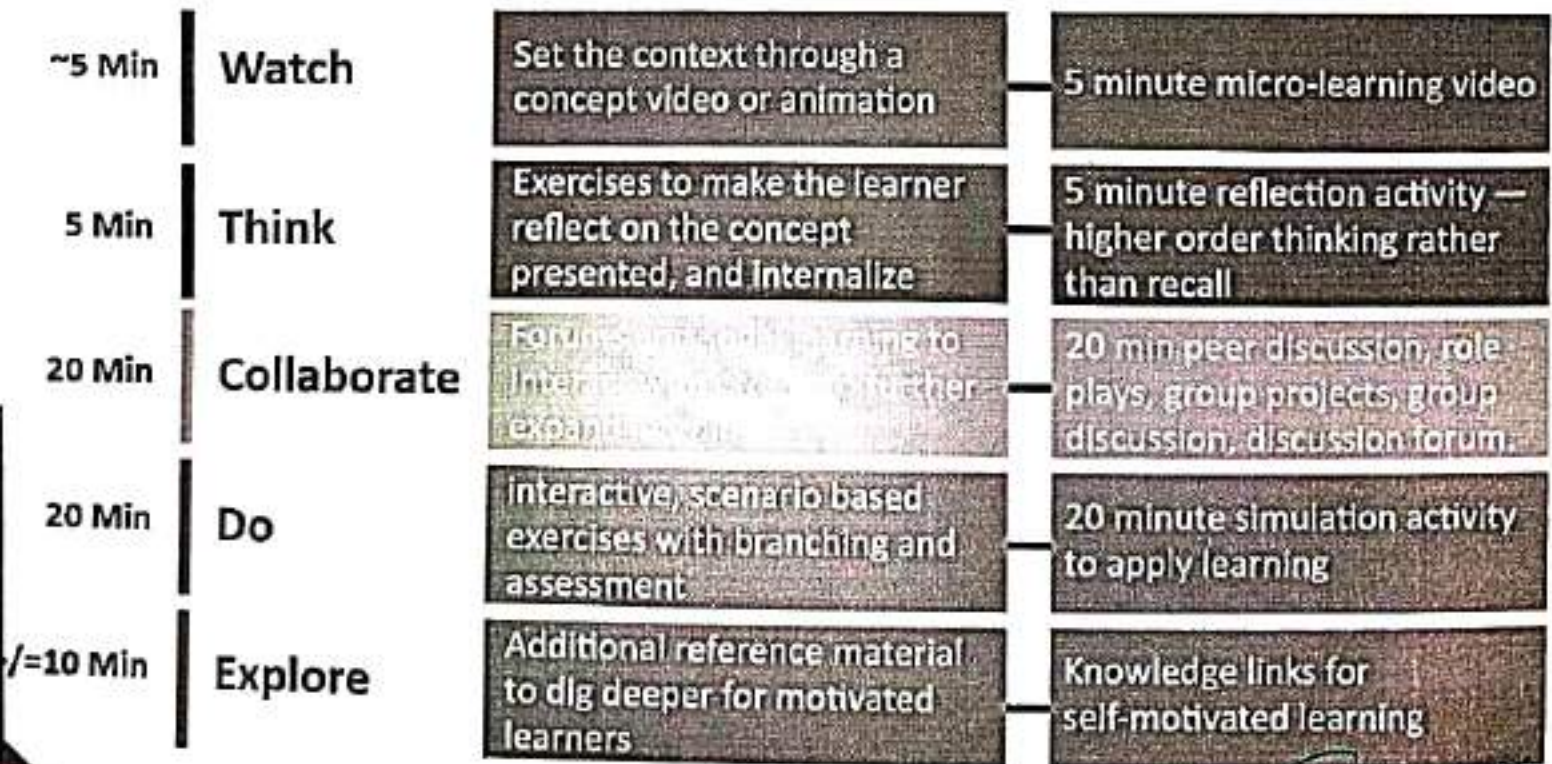

Employability skills are core skills needed in nearly every job. These are the skills that employers look for while selecting candidates for a job. The Employability Skills Intermediate course will help learners acquire these skills, get a job, and help them in their journey towards a successful career.

Further, this course is ideal for students to help them understand:

- what to prepare for before an interview,
- how to conduct themselves during an interview,
- how to follow up after an interview, and
- how to accept a job offer.

How will the student learn?

In each lesson, the learner will complete these 5 components, led by a facilitator, in a classroom setting (virtual/physical).

Where will the student learn?

The student will register and login on NextGen, where they will be able to access all the lessons.

How will the students be evaluated?

The Assessment structure includes

- 2 Formative Assessments during the student's learning journey.
- 1 Summative Assessment after the student has completed all the modules

What will the students get after completing this program?

After a student completes all the modules and the assessments on NextGen portal, they will be able to download the Comprehensive Skill Scorecard, which includes a quantitative analysis of the learner's performance in the course, and the 21st century skills that they have acquired. The Skill Scorecard is an analytical, dynamic report demonstrating each learner's performance on the course, and aims to allow learners to showcase their skills to employers, at the time of placement/recruitment.
